

- 6 programmable buttons
- 2.4Ghz Wireless
- 10 cursor speeds
- Long lasting, quick recharging battery

DESIGNED WITH **YOU** IN MIND

Unimouse is the next step in ergonomic mousing

With four key adjustable features, Unimouse offers comfort and support regardless of your hands size. With its adjustable body tilt and articulating thumb support (ATS), Unimouse features four key points of articulation to offer an ergonomic experience that is unique to each individual user.

35 Degrees of true adjustability

Our patented articulating hinge allows you to adjust the angle of body tilt anywhere between 35 to 70 degrees. It features a friction-based system for an experience that is simple, yet stable in any position.

Clicking with Unimouse

6 programmable buttons and an ultra smooth scroll wheel let you unleash your creativity. Customizable button assignments will suit virtually any task and accommodate your unique needs.

Unlimited performance

Lithium-Ion Polymer battery provides up to three months of power* on a single charge and our Data+Charge cable will allow you to charge while you work to help eliminate downtime. Our clever "Smart Sleep" battery system ensures a long lasting wireless experience by hibernating when not in use.

Revolutionary Design

ATS (Articulating Thumb Support) eliminates harmful gripping and pinching of the CMC (basal) joint and helps to reduce RSI. The tri-axis thumb rest accommodates hand width with ease and allows you to relax your grip in any position, regardless of your hand size and shape.

Features

Technical specifications

Dimensions (LxWxH)	11,9 x 7,6 x 5,6 cm
Weight	0,13 kg
Color	Slate
Tilt angle of the mouse	35 degrees incrementally
Tilt angle thumb support	35 degrees in either direction
Buttons Functions	7 buttons (6 programmable buttons: Left, Middle, Right, Scroll Click, Forward, Back)
Cursor Speeds	800 1000 1200 1400 1600 1800 2000 2200 2400 2800
Wireless Range	Up to 8 meter
Battery Type	Lithium-ion Polymer (LIP) rechargeable battery, 470mAh
Battery Life	Up to 3 months on a single charge. *Battery life may vary based on user and computing conditions.
Connection	Wireless / USB-cable
Driver	Optional driver for button customization
Warranty	2 years from date of purchase
Operating Systems	PC / Mac
Installation	Plug-and-play
